## A REPORT BLOOD DONATION CAMP SESSION 2021-22

The blood donation camp was organized by the organization named Maa Gange Blood donation centre in our Chinmaya Degree College on 10 Jan 2022.

The event was carried /conducted by the medical team and our college made all the arrangements for the blood donation camp. The camp was inaugurated by the Principal and he also motivated all the volunteers present there.

The program started at around 10 am and continued till 1 pm. It was even open for teaching and non teaching staff's of college along with students.

Several screening measures are made to questions about donors health and have a quick blood test before donors can donate blood or not. This is done to ensure that there is no negative health effects or danger to donors or some one else that will use these blood.

During the donation, one unit of blood approximately 500 ml were collected from one person and person between 18 & 60 years were allowed to donate blood.

Thereafter, the donors were asked to stay in the refreshment area for at least 10 minutes after the donation. The medical team members then sealed and laballed the collected blood carefully.

At the end of the program, the one of the medical team member delivered a short speech for the volunteers and gave a note of thanks to all for making the program a grand success. In this camp 30 students from Chinmaya Degree College, Haridwar donated blood.

The organizer was successful in achieving the target of blood collection.
