A REPORT BLOOD DONATION CAMP SESSION 2018-19

Maa Gange Blood Centre organized a blood donation camp on 2nd Oct 2018 in Chinmaya Degree College, Haridwar.

The purpose of this camp was to inspire Blood donors and also to collect the blood of different Blood Groups.

The program was arranged by medical team. Before organizing the camp speech was given to aware the staff and students of the college on the purpose of organizing the camp.

The program was started at 9:30 in the morning. Students were excited to participate and donate their blood. Before taking their blood, medical team first analyzed their blood pressure & the hemoglobin status and then allowed only those who fulfill the requirements. When the donation process was being done, a doctor from the organizing committee gave a motivational speech to staffs & students and encouraged them by telling the benefits of blood donation. He also told that donating blood not only helps needy people but is also beneficial for our own health. The reason is that it triggers our system to make more blood. The program ended at 2 O' clock in the afternoon. In this camp 25 students from Chinmaya Degree College, Haridwar donated blood.

The organizer was successful in achieving the target of blood collection.

A REPORT
BLOOD DONATION CAMP
SESSION 2021-22

The blood donation camp was organized by the organization named Maa Gange Blood donation centre in our Chinmaya Degree College on 10 Jan 2022.

The event was carried /conducted by the medical team and our college made all the arrangements for the blood donation camp. The camp was inaugurated by the Principal and he also motivated all the volunteers present there.

The program started at around 10 am and continued till 1 pm. It was even open for teaching and non teaching staff's of college along with students.

Several screening measures are made to questions about donors health and have a quick blood test before donors can donate blood or not. This is done to ensure that there is no negative health effects or danger to donors or some one else that will use these blood.

During the donation, one unit of blood approximately 500 ml were collected from one person and person between 18 & 60 years were allowed to donate blood.

Thereafter, the donors were asked to stay in the refreshment area for at least 10 minutes after the donation. The medical team members then sealed and labelled the collected blood carefully.

At the end of the program, the one of the medical team member delivered a short speech for the volunteers and gave a note of thanks to all for making the program a grand success. In this camp 30 students from Chinmaya Degree College, Haridwar donated blood.

The organizer was successful in achieving the target of blood collection.

A REPORT
BLOOD DONATION CAMP
SESSION 2022-23

A Blood donation camp was organized on 25 April 2023 in the Chinmaya Degree College by the organization named Maa Gange Blood Centre.

The camp was organized with the help of college staff and a medical team consisting of two doctors and medical assistants.

The program started at around 10 am and continued till 3.00 pm Principal of the college inaugurated the programme. Before the collection of blood, a motivational speech was given by the doctor of the team and motivated the volunteers for donating the blood and also told them about the benefits of donating blood.

Besides students, teaching & non teaching staff of the college were also there to donate blood. Among teachers, Dr Madhu Sharma and Dr. Vaishno Dass Sharma donated the blood.

The medical team first checked their hemoglobin and blood pressure status and then allowed only those volunteers who fulfilled the conditions to donate the blood. There was also refreshment and a certificate for the blood donors. The organizer got successful in achieving the target of blood collection. In this camp 55 students from Chinmaya Degree College, Haridwar donated blood.
